SUPPLEMENTARY INFORMATION:

Title: FAS/Cooperator Market Development Program.

OMB Number: 0551-0026.

Expiration Date of Approval: December 31, 1995.

Type of Request: Extension and revision of a currently approved information collection.

Abstract: The primary objective of the Foreign Market Development Program is to develop, maintain and expand long-term export markets for U.S. agricultural products. Created 40 years ago, the program has developed into a partnership between the FAS, USDA and private agricultural trade organizations (called "Cooperators"). The FAS currently has joint projects

with 40 Cooperators working in more than 100 countries.

Prior to initiating program activities, Cooperators must submit detailed marketing plans, or amendments thereof, to FAS which include an assessment of the overseas market potential; the marketing strategy, goals and individual activities; estimated budgets; and performance measurements. Prior years' plans often dictate the content of current year plans because many activities are continuations of previous activities. Each Cooperator is also responsible for submitting: (1) Reimbursement claims for costs incurred as outlined in the marketing plans, (2) an end-of-year contribution report, (3) travel reports, and (4) progress reports/evaluation studies. Cooperators must maintain records on all information submitted to FAS. The information collected is used by FAS to manage, plan, evaluate and account for Government resources. The reports and records are required to ensure the proper and judicious use of public funds.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 22 hours per response.

Respondents: Non-profit institutions and state or local governments.

Estimated Number of Respondents: 40.

Estimated Number of Responses per Respondent: 91.

Estimated Total Annual Burden on Respondents: 77,180 hours.

Copies of this information collection can be obtained from Pamela Hopkins, the Agency Information Collection Coordinator, at (202) 720-6713.
